

Portal Governance Committee

Meeting Date: 9/30/2011

Attending: Richard Valdez (IT), Jonahlyn Gilstrap (IT), Katie Fletcher (SOM FHCO), Krickett Marquez (SOM FHCO), Linda Johansen (IT), Alex Gonzales (EM).

1. New Home tab is live.
 - a. UNM News channel appears to be well received. In top 5 channels since its launch.
2. Alex expressed interest in a makeover for the Student Life tab next.
 - a. What does that mean?
 - i. Possible transfer of content to Enrollment Management to perform updates if desired.
 - ii. Student tab is currently the only tab without an announcements channel of some kind. A twitter feed channel showing upcoming deadlines would be possible.
3. Personal Announcements
 - a. Announcement request form is live (but not yet linked to in the portal)
 - b. Student has one announcement posted and has received positive feedback about it.
 - c. Current change request would add a link to the request form to the Personal Announcements channel.
 - i. PGC was hesitant to make the link available to students and decided to only make it available to staff and faculty.
 - ii. The link text will be changed to "How to post an announcement" and will link to the FAQ page.
 - iii. Jonahlyn and Linda will clarify the content on the page:
 1. Only available to staff
 2. Approval process question
4. New Email/Calendaring systems are coming
 - a. UNM will move to Exchange and Microsoft Live in the future.
 - b. What does this mean to the portal?
 - i. Email is one of the most used applications available in the portal.
 - ii. How to accomplish the single sign on?
 - iii. We will learn more as the email implementation team planning moves forward.
5. Luminis 5
 - a. How soon can we make a decision on which portal we are going to use in the future?
 - b. We need to Learn Luminis 5 and see what other options are available.
 - i. Sungard demo will be scheduled soon.
 - ii. Campus EAI wants to give a demo
 - iii. We may choose to watch a video in each meeting.

- c. Need to develop a list of criteria to compare tools against (ie. Banner integration, hosted solution, etc).
 - d. Goal: Decide February 1, 2012
6. Luminis 5 Videos
- a. Available on Sungard commons
 - i. To create an account:
